PROFILE SUMMARY

A dedicated Health, Safety, Environment, and Quality (SHEQ) professional with over 8 years of experience in high-stakes industrial environments. Proven track record in risk management, incident investigation, and operational efficiency. Committed to maximizing organizational productivity through the rigorous application of safety standards and the strategic utilization of resources.

CORE COMPETENCIES

- Safety Leadership: Incident Investigation (NOSA), Hazard Identification (HIRA), Fire Safety, and First Aid.
- Operational Excellence: 5S Housekeeping, Continuous Improvement, and Behavioral Safety Coaching.
- Supply Chain: Inventory Management, Stock Control, and Procurement (CIPS).
- Compliance: IIRMS (Illovo Integrated Risk Management System) and Food Safety Systems (SABS).

PROFESSIONAL EXPERIENCE

Safety Spotter
Zambia Sugar Plc | 2022 – Present

- Risk Mitigation: Conduct daily safety patrols to identify and mitigate unsafe acts and conditions, ensuring 100% compliance with SHEQ policies.
- Fire Safety Management: Manage fire equipment inspections and hazard identification to maintain a zero-incident fire environment.
- Strategic Alignment: Implement Illovo Integrated Risk Management System (IIRMS) guidelines into site-level procedures to enhance operational effectiveness.
- KPI Management: Define and monitor SHEQ targets for responsible personnel, ensuring safety objectives are integrated into measurable performance indicators.
- Regulatory Compliance: Ensure all operations strictly adhere to legal and statutory safety requirements within assigned areas.

Stock Controller
Zambia Sugar Plc | 2017 – 2022

- Managed inventory levels and optimized stock turnover for large-scale industrial operations.
- Conducted regular audits to ensure accuracy between physical stock and system records.

SHE Representative
Zambia Sugar Plc | 2015 – 2022

- Served as the primary liaison between staff and management regarding safety protocols.
- Promoted a culture of "Safety First" through safe behavioral coaching and 5S housekeeping audits.

Material Stock Issuer
Zambia Sugar Plc (Illovo Group) | 2014 – 2017

- Coordinated the distribution of materials across main stores, ensuring timely supply for production lines.

Procurement Trainee
ZESCO Ltd | 2007 – 2008

- Assisted in procurement cycles and vendor relationship management during industrial attachment.
